

LYCEUM CAMPUS QUALITY MONITORING AND ENHANCEMENT UNIT

1 Introduction and Context

Lyceum Campus's quality assurance system revolves around its mission “ *To contribute to the wider world through the pursuit of education, research, knowledge- transfer and service at the highest levels of excellence.*” (Strategic Plan 2023-2027). Lyceum Campus Ordinance 3 states that “....*Academic Syndicate oversees quality assurance of the academic work to maintain academic standards and to contribute to quality assurance and promote excellence in teaching and research*”. This is the focus of all members of Lyceum Campus in the discharge of their duties and functions.

To fulfill this focus it is essential that a robust Quality Monitoring and Enhancement System, should be in place as a fundamental part of the academic cycle . Quality Monitoring and enhancing system will enable the Campus to evidence consistent high quality of its qualifications and to demonstrate continual enhancement of academic standards. In practical terms this would ensure , on the one hand, all programmes /courses are fit for purpose and uphold the appropriate academic standards and ,on the other, enhance the quality of the student learning experience .

.In this context Lyceum Campus's *Academic Quality Assurance Policy Framework* which includes all relevant strategic and operational information relating to the quality assurance , quality enhancement and monitoring of educational provisions, mandates the establishment of a Directorate named “*Quality Monitoring and Enhancement Unit* (QMEU) under the purview of the President , as a regulating mechanism to ensure that quality operations are coordinated , monitored ,and managed with maximum effectiveness across the Campus to ensure high academic standards and quality of education.

.2 Goals/objectives of Quality Monitoring and Enhancement Unit.

Goals and objectives of QMEU) are to:

- demonstrate to the Campus staff, students, governance bodies, and external stakeholders that quality procedures are in place for the purpose of establishing ,ascertaining ,maintaining, improving /enhancing the quality and standards achieved of education , training and research and related activities that it provides;
- foster and sustain a quality culture supported by ongoing learning and innovation in all units of the Campus
- demonstrate alignment with the legislative provisions and compliance with relevant reference points such as Sri Lanka Qualifications Framework (SLQF) , Subject benchmark Statement (SBS) and/or professional bodies like the Sri Lanka Medical Council (SLMC) ;
- contribute to the formulation of the Campus's Quality Assurance and Enhancement policies and practices and to the implementation and monitoring of quality processes across the Campus ;
- layout , build and continuously improve the structure of the quality management system to ensure that quality operations are coordinated,monitored,and managed with maximum effectiveness;
